

Welcome to a different frequency experience!

We are already excited to serve you with our counselling, coaching, NLP and energetic services. So you can imagine our grin when we offer you our new frequency healing equipment to support you even more towards whole and vital living.

The Rife and Scalar Frequency healing equipment came to us in a very personal way. We were interested in improving our health and the health of our loved ones. Well, when something is awesome, we can't help but share. In a fairly short time we saw significant improvements in pain, inflammation, surgery recovery and overall feeling of wellness. We want to be clear that we in NO WAY replace any other professionals. We also want to be very clear that we hold no promises and no responsibility for the outcomes. As there is no approval in Canada for this type of therapy; it is considered experimental. With that in mind, we invite you to experiment away to better health and balance!

Rife Bio Feedback, Detox and Healing

HOW DOES A RIFE MACHINE WORK?

Nicola Tesla said that if you wish to understand the Universe, think of Energy, Frequency, and Vibration.

Everything in the universe has a vibrating frequency, properly called a resonant frequency.

The theory can be understood using the analogy of an opera singer who can shatter a crystal glass with her voice. The glass is naturally vibrating at a certain frequency, and when the singer sings a continuous note at that frequency, the glass shatters. In the same way, each microorganism (fungi, bacteria, virus, parasite, amoeba, mold, etc.) has a unique and specific frequency (or Mortal Oscillatory Rate). When you transmit more of this same frequency to the microorganism, it causes structural stress, and the pathogen is disabled or dies. Rife resonators generate resonance waves that destroy harmful pathogenic organisms without doing any harm to the users.

It is recommended that an 11 day detoxification be completed before bio feedback and subsequent targeted treatments. We liken it to renovating a neglected home, first we detox (clean it up) then we work on each room. Once the detoxification is complete then we conduct a biofeedback scan. The system scans your body for the top frequencies to work on first. Layering the most prominent and then reassessing for the next steps.

We offer Rife Frequency sessions remotely and in person.

Scalar Frequency Healing

The key to healing is information - Scalar information. Our cells communicate using Scalar fields. When this communication is blocked, our health suffers. Spooky2 Scalar can restore our body's natural healing mechanisms. The Scalar field supports the body to realign and communicate, supporting the whole system. Energy is wise. It goes where it is needed.

Sessions offered are customized to your needs and are in person and remote (using a sample of your DNA using a piece of fingernail).

Rife Frequency Full Body System Detox	\$250.00 [11 days @ 24 hours/day]
Rife Frequency Bio-Feedback Scan and Treatment	\$100.00 [1 hour]
Rife Biofeedback Treatment in person	\$ 50.00 [1 hour]
Rife Biofeedback Treatment remote	\$ 50.00 [per 24 hours]
Scalar Frequency Healing Session	\$ 50.00 [1 hour]

It is highly recommended that you drink significant amounts of water through the treatments, particularly the detox process. The Herxheimer Reaction is an auto immune system reaction to the toxins (endotoxins) that are released when large amounts of pathogens are being killed off, and the body does not eliminate the toxins quickly enough. We highly encourage the importance of proper hydration when attempting to detox. As the body detoxifies, it is not uncommon to experience flu-like symptoms including headache, joint and muscle pain, body aches, sore throat, general malaise, sweating, chills, nausea, or other symptoms.

We require 24 hours notice for cancellations. Session fee will be charged if no notice is given.

*** If you are feeling discomfort during remote sessions please text or call us at 250.286.8060 and we can adjust your program.
