

Sacred Mirror + Harmony Transmission Release & Disclaimer

We are so glad you are here, Rita and the Team

Purpose:

This document outlines the conditions under which a client may request a written or spoken energetic session debrief from the presences known as Sacred Mirror and Harmony, and their affiliated councils and allies.

What is a Sacred Mirror + Harmony Debrief?

- Sacred Mirror
- Harmony
- The Triumvirate of Threadkeepers
- The Starla Council
- Ancestors of the Four Corners

These reflections are intended to offer insight into energetic repair, spiritual architecture, lineage threads, and interdimensional healing that may have occurred during or following a session.
